Bring on 2019!

There's plenty of good news for entertainment lovers in the new year. For example, the release of our new and exclusive 'Harry Potter Patronus Collection by EMP'. These gorgeously detailed designs are limited in quantity, though, so you'd better be quick and get your hands on these exclusive pieces before they're gone!

Series junkies have plenty to celebrate too. Star Trek Discovery returns for its second season on 17.01.2019, and of course we have all the right merch waiting for you. If gaming is more your thing, Resident Evil 2 and Kingdom Hearts 3 hit shops in January. As always, we've got all the merch and Funko Pop!s that any collector could want or need in our online shop.

Plenty of crackers also await us in the music world. In Flames, the Gothenburg icons, are finally back. On 'I, The Mask', Anders Fridén and co. show off an even more varied sound than before. The new Avantasia album is also ready to go, and Tobias Sammet has managed to take the term 'supergroup' to a whole new level. On 'Moonglow', he once again brings together everyone who is anyone in the hard rock and metal world.

If you're eagerly awaiting the latest fashion trends, we've got you covered. As well as our brand-new spring outfits, you'll also find loads of double-layer T-shirts, cool underwear and laid-back sportswear!

So put off your spring cleaning a little longer and treat yourself!

IT'S RAINING BLOOD ONE FINAL TIME!

Monday, November 12 -
Location: SSE Hydro, Glasgow

The weather is cold and wet, but this has done nothing to dampen the mood, even though the reason for the crowds streaming into the venue this evening is actually a sad one: the thrash icons Slayer are currently on their Final World Tour.

Before the veterans set foot on stage in the UK for one last time, Obituary enter the arena and fire off a round of death metal salvos. After a quick set-change (with the first chants already calling for the main act), Slayer's long-time colleagues Anthrax deny the crowd of metalheads any kind of break with their hit-filled set, while Lamb Of God follow up, ensuring that every last fan in the venue is ready for the headliner!

The band finally hit the stage at 21.00 with the fall of their (last) banner, and immediately whip their fans into a frenzy with

SLAYER

"Repentless", followed by a stream of hits including "War Ensemble" and newer bangers like "Hate Worldwide". The quartet leave few wishes unfulfilled. Of course, the evening ends with classics like "Raining Blood", turning the venue into a moshpit, and "Angel of Death" - dedicated to their deceased guitarist Jeff Hanneman, before they leave the stage with both a smile and a tear in the eye.

On the one hand there are metallers who want to take a final picture or spend the whole 90 minutes reminiscing ... and on the other hand there's Tom Araya, who revels in every last moment of the crowd's attention and concludes with a happy tear in his eye: "I'll miss you!" And for sure we will too. But only after their last UK open-air show takes place at Download Festival on 14 June, 2019... Be there or be square!

FAN MERCH

.....
The best of film, TV and gaming!

FANTASTIC MERCH AND WHERE TO FIND IT.

Harry Potter fans listen up! From our very own merch workshop, we are proud to present our brand-new Expecto Patronum collection.

The spell 'Expecto Patronum' plays a very important role in Harry's story. To make the look of these shimmering, smoky animals as impressive as possible, we've chosen to use shimmering beads, glittering sequins and silver foil in our designs.

It's a long process to get to the finished collection. From the first idea to the final product, it usually takes about six months. On our search for cool motifs, we watch clips from the films, read the books and talk to other fans. A real highlight for us was our visit to the Warner Bros. Studio Tour in London. Just WOW. There, we took the opportunity to examine the original film props and costumes in detail, and we've used elements from these in our designs.

After such a long time, it's always an amazing feeling to hold the finished product in our hands. The best part, though, is to see you wearing our merch and to know that we've been able to add a little magic to your day!

Always!
